Several new men are being tried out by Manager Lewis. Wright, Summerlott and Kartum, all infielders, are with the team, and a pitcher-fielder named Brown has been ordered to report. Burnette has been released.

If the Moguls take the last two games from Cairo, they will return home with a percentage of 500 and ready to begin an upward climb. Four teams are now pretty well bunched and the race for the pennant is expected to pick up some.

Hargroves, third baseman with Vincennes last year and now with Nashville, has been purchased by the Moguls and went to Cairo yesterday. An outfielder named Carr, from Macon, Ga., also reported yesterday. Brown from Columbus, O., will join the team here tomorrow. Woody has been released.

Yon came back in his old form at Clarksville Saturday, winning a double header in brilliant style. The first game of 7 innings was a shut out 4 to 0. The second was 11 innings and won 3 to 2. Yon allowed only two men to hit him, Basham for 3 hits and Pfeiffer for 2, making 5 hits in 18 innings. The Moguls got 17 hits off three pitchers.

Saturday's Games.

Pitcher Yon, Hopkinsville's diminutive Southpaw, who hasn't been going good up to this time, "came back" and Saturday at Clarksville struck his stride and the Moguls took both games from Clarksville. Yon pitched both games, allowing the pennant leaders only five hits in the two games and having everything his own way.

8-YEAR-OLD BOY

Saved From Drowning at Second St. Bridge Sunday.

Herschel Lacy is a hero, though he has not realized it.

An 8-year-old son of Charlie Morris, with a lot of other youngsters, was in bathing below the Second street dam last Sunday afternoon.

Young Morris was in the middle of the stream and called for help, but the boys thought he was only "funning" and paid no attention to him, but the boy was really in danger. He sank once and when he came up he cried to Herschel (Pete) Lacy to come to him. "Pete" pulled off his coat and went to his relief and with the assistance of a negro boy got him to land. The boy had gone down in water about 4 feet deep.

ADDISON WILLIAMS

Died of Heart and Kidney Trouble at Age of 76.

Mr. Addison Williams died Sunday morning near noon, at the home of his son, Mr. C. B. Williams, of heart and kidney trouble, in the 76th year of his age. Funeral services were held at the home yesterday afternoon, and the interment was in Riverside Cemetery.

Mr. Williams is survived by his wife and two children, Mrs. George W. Walker and Mr. C. B. Williams. He came to Christian county 45 years ago, where he married. He was a close student of the Bible and could come nearer quoting it in "full" than probably anybody here, but never united with any congregation.

MASS OF TWISTED STEEL.

Car of Ill-Fated Dirigible Raised But No Bodies Found.

Atlantic City, N. J., July 8.—The "car" of the dirigible Akron was raised to-night from Absecon Inlet, where it fell a mass of twisted steel on Tuesday when the balloon blew up while 1,000 feet in the air. Not a body was found aboard. The only thing discovered was a cap, believed to have belonged to Walter Gest, the amateur mechanic. Search will be continued for a mile about the spot where the "car" was raised today.
